

# Club4 Parent Guide

## Dear Parent/carers

Club4 provides a wide variety of activity camps to ensure children and young people have the opportunity to enjoy an extensive range of enriching and physical activities, an increased awareness of a healthy lifestyle and a nutritious meal each day. To find out more visit [our website](#).

The Holiday Activity and Food Programme is coordinated by Active Surrey on behalf of Surrey County Council (SCC). This Department for Education programme offers fully-funded places for children and young people inclusively from Reception to Year 11 who are eligible for benefits related free school meals.

Holiday activity vouchers will be issued via email to all parents/carers on the morning of Tuesday 11 June to ensure fair access across the County. To check out what's on offer and to book your activities, simply click on the voucher link. Each voucher will allow your child to access a maximum of 16 credits, equal to 16 days of holiday activities. Please book early to avoid disappointment as spaces are limited.

Club4 holiday camps run during the main school holidays (Christmas, Easter and summer). It is a separate offer to SCC's supermarket voucher. Families can use both schemes.

Get ready for another fabulous summer of activities! Alongside our popular multi-sports & activity camps, we have some exciting new camps; including Golfing, Athletics, Basketball, and more youth days out. Back by popular demand we also have even more inclusive SEN Stay & Play sessions for families to enjoy with their child. With so much choice, we are sure this will be a summer to remember!

When choosing your holiday camp, have a think about what best suits your child - what do they enjoy, do they like something new and exciting or do they prefer familiar activities? If you plan to book for several days, would they enjoy getting to know one set of coaches over time in one place rather than attending lots of different settings?

**Need any help navigating your vouchers? [Read our step-by-step guide](#).**

Funded by

Department  
for Education

We are experiencing a high number of children and young people not turning up to their pre-booked sessions via Holiday Activities.

Sadly, there is a misconception that as these spaces are free to eligible families, there is no impact if your child doesn't show up for the booked space. Failing to show for a holiday activity booking leads to other eligible children missing out on their opportunity to attend a holiday club and receive a meal.

Please only book your child onto the days they can attend. We appreciate that plans can change and there may be occasions where your child can't attend due to unforeseen circumstances. If your child is no longer able to attend a session, please cancel their place with as much notice as possible. Provider contact info can be found [here](#).

Failure to attend two or more booked sessions without contacting the provider directly, may result in all bookings being cancelled for the remainder of the holiday. This will enable other children on the waiting list to be offered a place.

Now for the fun stuff! Check out our [provider offering](#) to see what Club4 has to offer for the Summer holidays!

#### Club4 Summer Holiday 2024 Voucher

Club4 Summer Holiday 2024 Voucher

Club4 is an exclusive offer for children and young people who are eligible for benefits related free school meals in Surrey.

Scroll down to log in to find out more and book onto an activity this summer holiday.

## Parent highlights

"It's her first time at camp and she loved it. She wished she could go for more days. She learnt new skills and had fun, made new friends and it helped with her confidence".

"The camp provides much needed respite care, getting my child out of the house and busy. We can work knowing he is well looked after and happy. The camps are a life saver for many families."

"My child had a great time. He learnt new things and was really physically active. He also made new friends".

"They were so kind and lovely with meeting my sons Sen needs and making sure he was ok. For a child that struggles to access school this was a massive win that he attended and enjoyed it."

## Young Person highlight

"I'm incredibly grateful for Club4 offering this (Lifeguarding) course to me, it has definitely opened a couple of doors to me that I probably couldn't have even jammed my foot into, but it was also an incredibly fun and interesting experience and I've made a good few friends through it. 😊"

Parent comment - "The teaching was fantastic, the adults in charge spot-on, she liked the other people participating a lot and she loved the food! She now has a Lifeguarding job where she earns £11 an hour"
